Dear Hilton Workers,

As a member of the Austin City Council, I support you in exercising your right to organize a Union at the Hilton. You all are the face of our beautiful city for so many visitors, and we know you work hard and take pride in the jobs you do.

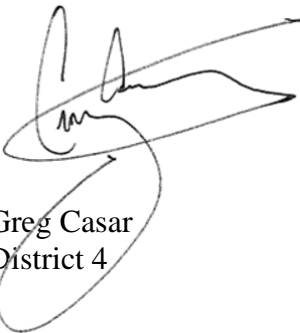

All work has dignity, and all workers have dignity. We believe that Hilton hotel workers deserve to be recognized and rewarded for the hard work you do to help our City and your employer thrive.

When workers come together to form a Union, you gain rights at work and a voice in determining working conditions, schedules, compensation, and benefits. That's why I encourage you to join together to speak up for yourselves and your families.

Know that you can count on my support in the future when you need it.

Yes we can! Si Se Puede!

Sincerely,

Greg Casar
